Project Pipeline Released at *DC Builds!*

Last Friday, Mayor Bowser and OP3 hosted *DC Builds!*, a half-day forum that brought together hundreds of public officials, potential partners, policy experts, and residents to discuss the state of the District's infrastructure. OP3 released the District's first ever [project pipeline](#), which includes a dozen of potential P3 opportunities. You can watch video and [review the presentation](#) from the event.

(Mayor Bowser and attendees hear from agency directors on upcoming P3 projects.)

Window to Submit Unsolicited Proposals Announced

Beginning November 28, 2016 and ending on January 26, 2017, OP3 will be open to accept unsolicited proposals to spur innovative solutions to the District's infrastructure needs. Detailed requirements for these proposals are included in the Public-Private Partnerships Act of 2014 as well as [OP3's rules and guidelines](#). Additional information and forms that must be included as part of a proposal can be found at op3.dc.gov/proposals. Interested parties are encouraged to meet with the OP3 before submitting an unsolicited proposal. For additional information, please contact OP3 at op3.dc.gov or (202)724-2128. All unsolicited proposals will undergo a robust review to determine the benefit to the residents of the District before a procurement process is advanced.

OP3 is hiring

With so much happening at OP3, we are looking for a few energetic individuals to serve in our inaugural internship program. Ideal candidates will be graduate students in law, business, policy, who can volunteer two or three days per week during the upcoming semester. If you or someone you know is interested in this exciting opportunity, please email a resume and a brief cover letter to op3.dc.gov by December 2nd.
