Streetlight RFQ on the Street

OP3, in coordination with the Department of Transportation (DDOT) and the Office of the Chief Technology Officer (OCTO), are pleased to announce the release of a [Request for Qualifications \(RFQ\)](#) for the Smart Street Lighting Project. The Project will modernize more than 75,000 streetlights in the District by converting them to LED technology with remote monitoring and control capabilities and deploy Smart City technology (“SCT”), including Wireless Access Points that will expand the District broadband Wi-Fi network and serve as a platform for future uses and applications. Statements of Qualification are due **Monday, August 7, 2017 at 5:00 P.M. (Eastern)**. For more information on the RFQ, interested parties should visit <http://op3.dc.gov/streetlights>.

Upcoming Events

If you want to catch up with us in person, OP3 will be participating on several panels at the [Annual P3 Conference](#) for the American Road & Transportation Builders Association (ARTBA) on July 13th and 14th. For the first time ever, there will be a [special track for emerging leaders](#). Even if you can’t attend the conference, we encourage everyone to join us and others from the P3 industry at a [networking reception](#) on July 13th.

OP3 is Hiring

With so much happening at OP3, we are looking for a few energetic individuals to serve in our 2nd class of Infrastructure Fellows. Ideal candidates will be graduate students in law, business, policy, who can volunteer two or three days per week during the fall semester. If you or someone you know is interested in this exciting opportunity, please email a resume and a brief cover letter to op3@dc.gov by July 14th. We also expect to hire one or more full-time staff in the coming months. So keep an eye out for future opportunities at OP3.
