Industry Forum Scheduled for Daly Building

In anticipation of the release of a procurement for the Daly Building Project, DC OP3 is pleased to host a Pre-Proposal Conference on Monday, January 29, 2018, 9:00am at the Old Council Chambers at 441 4th Street NW. This will be an opportunity to learn more about the project, tour the facility, and meet potential partners. The project, which is a joint effort with the Department of General Services and the Metropolitan Police Department, includes the modernization and long-term maintenance of the 600,000 sq. ft. historic police headquarters. Those interested in learning more and registering to attend the event should visit [the Daly Building project page on our website](#).

Coming to a Conference Near You

OP3 will be participating in several upcoming events, including the [North American Infrastructure Dialogue](#) in New York City on January 25th and the [P3 Conference](#) in Dallas on February 26-28th. We'll be providing the latest updates on our projects and activities, and we hope to see you there!
